

# Cookies Policy

The website uses cookies. Cookies are small text files that the website stores on your user device.

## Cookies used on the website

This website only uses the following types of cookies, for the following purposes:

- **Functional cookies:** cookies to improve the convenience of using the website by visitors. For example, when you are an adult, a cookie is placed to remember that you have passed the age verification page. Without this cookie, you must always provide this information on every page of the website. The functional cookies on the website stored by Organic Costaflores S.A. on your computer are retained only for the duration of your session on the website.
- **Analytics Cookies:** Organic Costaflores S.A. uses "Google Analytics" cookies to analyze how users use the website. We can then improve the usability of the website. Google only anonymously processes the data obtained through the website. The information that cookies collect are traffic data and IP addresses, which is stored on Google servers. Google Analytics creates two types of "cookies": a permanent "cookie" that indicates whether the user is repeated, where the user comes from, the used search engine, keywords, etc., and session cookies to show when and how long the user has spent on the website. Organic Costaflores S.A. does not compare the IP address with other information that Google holds. Visit [www.google.com/analytics](http://www.google.com/analytics) for more information about "Google Analytics".
- **Third-party cookies:** The website allows cookies of social add-ons to certain third parties. This allows the user to share content from the website on social networks. These add-ons also increase the convenience of using the website. The data collected (their usage) by other providers through social networking add-ons is governed exclusively by the same other providers as Organic Costaflores S.A. cannot read these cookies (nor can other providers read cookies of Organic Costaflores S.A.). For information on third-party cookies, see the third-party privacy policy.

## Change your settings

By changing the settings in your web browser, you can set a cookie store notification on your computer. By changing the settings, you can also set the browser not to accept cookies from this website.

## Contact

This Cookie Policy may change over time. Such changes may take effect immediately upon disclosure of the modified Cookie Policy. We advise users of the website to review the Cookie Policy regularly for possible changes to the Cookie Policy.
